MESSAGE FROM THE COMMODORE

KSC is entering the year 2014 with gusto!

First, I thank you for the opportunity to serve as your Commodore. We have an outstanding group of volunteer Committee Chairs, Stewards and Flag Officers, and I look forward to working closely with them throughout the coming year.

The record-making cold snap caused some breaks in our plumbing and dampened portions of our building temporarily, but quick action by members prevented any damage. And the uninvited four-footed critters who took up residence in our stoves were evicted without incident. So in early January your new leadership team met to share their plans and wishes for the coming year. At the January Board of Stewards meeting, action was taken on some of those plans.

Most significantly, the long-anticipated and much-discussed topic of installing power to the docks was addressed and approved. Of course there will be a delay in implementation in order to obtain necessary permits and such, but we can reasonably anticipate that there will be power on all the docks this summer.

Looking at the more immediate future, the first annual *Change of Watch Celebration* will be held at the KSC clubhouse on Saturday February 1. It promises to be a very festive evening, and I hope you will be there to thank all the members who made 2013 the excellent year that it was – and then to welcome the 2014 team. And, not incidentally, to enjoy a gourmet dinner prepared and served by Award Winning Chef Michael Burnham - a KSC member!

VISIT FROM AN OLD FRIEND

Ron Scott, KSC Commodore in 2003, now lives in Hilton Head but recently was back in our area visiting. He came to the KSC with longtime Club member Linda Redmann to join the assembled group for Wednesday night potluck. John Landers took the occasion to present Ron with a past Commodore flag and to tell some great stories from the □old days.□

WEDNESDAY NIGHT POTLUCK

If you find yourself in the neighborhood, come join the Wednesday night potluck crew. This informal gathering always features good food and god friends. BYOB and something delicious to share. Hors d'oeuvres at 6 pm and dinner at 6:30 pm.
